

## **Banks County High School Local Scholarships 2020-2021**

The Banks County community shows its support of our seniors each year by providing scholarship assistance. There are varieties of scholarships that only require students to complete the local scholarship application to be considered for eligibility. Other scholarships do require a separate application and those are listed on the school website and the Senior Google Classroom. Those students that complete the local scholarship application will be considered for the scholarships listed below, as well as any additional scholarships in which the donors choose to use the local scholarship application.
